Spotlight on CancerWise

CancerWise is a support centre based in Chichester. They offer a wide range of services supporting cancer patients and their families in West Sussex and South East Hampshire.

CancerWise services would not be possible without considerable fundraising effort by staff, volunteers and the general public. They rely on goodwill to keep the centre running. This means that they do ask their clients to make a donation towards any service they receive.

CancerWise Support centre welcomes everyone and help build strong and long-lasting relationships during challenging times, both mentally and physically.
