

# Community Food Hubs

**West Sussex County Council is working in partnership with UKHarvest, a food rescue charity, to reduce food waste and provide access to affordable food using rescued produce.**

## How it works

The Community Food Hubs are open to everyone and are designed to reduce food waste. Simply bring a shopping bag and fill it from a selection of mixed groceries for a suggested donation of £3.50. Hubs rescue surplus food from suppliers that would have gone to waste and provide hints and tips on food waste prevention and new recipes.

Our friendly volunteers will be on hand to help. If you are interested in becoming a volunteer, please scan the QR code below or visit:
